

I'm not robot!

Ever wondered what it would be like to be President of the United States? Find out what the president does every day, who the president's helpers are, and how the president's job affects your life. Learn to control all three branches of the U.S. government! The president isn't alone when it comes to the day to day work of the Executive Branch. This lesson takes a look at the history of the presidential cabinet, how the cabinet is built through the confirmation process, and why this elite group of people matter to you. Got a 1:1 classroom? Download fillable PDF versions of this lesson's materials below. Or use our Customizable Google Slide activities! Step inside the Situation Room and take on the role of president responding to international events. Being the president is no easy task. Are you up to the challenge? Make your students' game play more meaningful by using our activity and assessment set designed specifically for Executive Command. This easy-to-use Extension Pack helps you give context and purpose to the game, as well as reinforce and assess the game concepts. That means deeper learning for students, and best practices around game-centered learning for you! Extension Packs require PowerPoint and are designed for use with projectors or interactive whiteboards. Students learn the role of the executive branch in creating and carrying out laws. Through role-play, the class models the legislative and execution processes as they create a new coin in order to learn how the executive and legislative branches work together. Got a 1:1 classroom? Download fillable PDF versions of this lesson's materials below! Students learn the primary responsibilities of the president and how those duties connect to the powers the Constitution grants to the Executive Branch. Students also learn about the types of issues the Executive Branch deals with and which federal agencies handle them. Got a 1:1 classroom? Download fillable PDF versions of this lesson's materials below! Students learn what foreign policy means. First, they learn the distinction between foreign and domestic policy. Then they find out what role the executive branch plays in foreign policy and the primary tools it uses: foreign aid, the military, and treaties. In addition, students learn how foreign policy power is shared with the legislative branch. Got a 1:1 classroom? Download fillable PDF versions of this lesson's materials below! Impeachment is really only half the story! Follow the processes and powers of impeachment in this easy to follow printable infographic.
